## Surrey Open Meeting 19<sup>th</sup> & 20<sup>th</sup> September

### Conditions of entry

- 1.) Competitors must be in possession of a valid Certificate of Competence issued by either their NRA or Primary Club. These cards must also be carried on the firing point. Spot checks will be made by the NRA. Those without cards will not be permitted to collect their squadding cards.
- 2.) Competitions are open to all-comers, with the exception of any Surrey closed competitions, which are reserved for competitors with Surrey qualifications under Association rule 5(a) or 5(b) who are fully paid up members of the Surrey Rifle Association for the current year and who are eligible. Eligible members are defined as those who have not made themselves available for another county team in a representative match and have not shot in another county closed championship in the current year.
- 3.) NRA Target Rifle regulations for the current year apply except where otherwise stated. Individual competitions not shot under TR rules may not count towards Target Rifle Aggregates.
- 4.) TR competitors may use any ammunition up to 155gr that complies with current NRA rules. Competitors for match rifle and NRA F-Class must provide their own ammunition which complies with current NRA rules. Sighters are convertible for all competitions. All unused ammunition and spent brass provided by the SRA must be returned, a condition of entry which competitors accept on signing the entry form. Non-compliance will incur an additional charge, forfeiting the discount on the price of all ammunition fired by the competitor concerned during the Meeting. It is against the law to take ammunition issued by the SRA off Camp without that ammunition entered by the SRA onto a competitor's FAC.
- 5.) Match Rifle and F Class Competitors must enter as one class & class F.
- 6.) For first place in competitions with trophies, a tie shoot will take place, where practical, if two or more competitors have the same score. In prize lists, counting out is as per current NRA rules, and then by class.
- 7.) Cards and ammunition will be available from the Surrey Hut from 8.00pm on Friday 18<sup>th</sup> September.
- 8.) TR competitors are grouped in four classes according to their status at 1st January 2009 as follows:
  - A As NRA TR class X
  - B As NRA TR class A, or X in the last five years, or shooter in county / national teams in the last five
  - C Not A, B or D
  - D Never been in prize lists except those reserved for class D or Tyros in a TR open meeting
  - F F Class and/or Match Rifle as per current NRA rules
- 9.) If an entry cannot be accepted, the applicant will be informed. Otherwise, no acknowledgement or receipt will be issued unless specifically requested and then, only provided an email address has been provided.
- 10.) Ranges may not necessarily be shot in the order indicated on the programme
- 11.) The Committee reserves the right to amend these rules, and the prize lists according to the number of entries received. If target space restrictions are encountered, entries will be allocated on a first-come, first-served basis.
- 12.) In the event of any dispute the Committee's decision will be final.
